CHURCH ANNIVERSARY

Time certainly flies by! This past month our church celebrated its seventh anniversary. We have come a long way since our first meeting with Pastor Juan Carlos and Miriam where we prayed whether God was calling us to plant our third church. The spiritual battle has been incredible over these seven years. The devil certainly hates us with such a loathing. In the first few years I really thought the devil was winning. First, Pastor Juan Carlos was seriously ill and at one stage I thought we were going to lose him. Then his wife Miriam was operated on for cancer. Then the tragic loss of my dear wife Christa! This in turn affected my health and I had three heart operations. Being a soldier on the front line has not been easy, but we have overcome the devil and go forward sharing the Good News with as many people as possible before the return of the Lord. We thank God for these seven years and see what He brings for us next. Here are some photos of our celebrations. Note, the worship team's Israeli insignia! Miriam has made these dresses.

LAST DAYS

This past month has brought drastic changes to the weather here in Guatemala. The rainy season commenced two months late and we have had heavy downpours and tropical storms. My house has twice been flooded within one week with rainwater ruining furniture and doors. This has never happened before in thirty years! The month of June has also brought two earthquakes of 4.9 and 4.7. These are happening with more frequency as the Lord said would happen in these last days. The volcano Fuego (Fire) close to my house has been spurting out volcanic ash as far as fifty miles away for the past two weeks. The local authorities have already vacated everyone in the two villages directly under the volcano. I am praying that we do not have another eruption as in 2019 where over 2,000 people lost their lives. The volcano Pacaya in Guatemala City has also been erupting.

All these changes sadly have affected my chest and my heart which laid me in bed for a few days. But my suffering is only for a season and will not last forever compared to heaven. I am back again working and sharing the Good News.

PRAYER REQUESTS

1. Health for myself and members of our church.
2. Prayers and medicines for Karen.
3. Helps Fund
4. Personal finances. Medical costs.

God bless you all and thank you for your prayers.
